Question: How do I activate a quiz on Blackboard?

Answer:

1. Locate the area where you want students to access the Quiz (for example in the Assignments area) and select “Edit” in the upper-right corner of the screen.

2. On the gray toolbar select “+Test”.

3. Select the Quiz that you want to make accessible to the students.

4. Select “Submit” at the bottom of the screen.

5. This will make the Quiz available to students through Blackboard and also link it to grade book.
